Precious Metal Sale Transaction Requirements via Branch Network.

When selling to the bank, all clients require the following:

1. Original receipt of purchase. (Owner must be present with the appropriate identification)
2. Canadian Social Insurance Card
3. Identification as per purchase requirements for customer vs non-customer.

NOTE: Additional documentation is required for estate, power of attorney and business transactions. Please contact your nearest consignment branch for further details.

The safety and security of customers and Bank employees is of paramount importance and will be taken into consideration prior to completing the transaction. We reserve the right to refuse or impose conditions on transactions we consider to entail undue risk.
